Welcome To Our Guesthouse - the artist-in-residence program of Theater Rotterdam - offers emerging makers the space and facilities to research, exchange and present their works-in-progress to the public. This year the makers are **Ciro Monoarfa Goudsmit**, **Adam Khazhmuradov** and **Hendrickx Ntela**. Their research, along with installations and exhibitions by other makers, will be presented from 14 to 17 October.

For advanced students & emerging makers, we offer a free enrichment program with workshops & conversations, alongside the evening program of works-in-progress. Want to take part? Read more about the program and how to apply.

EVENING PROGRAM

Date: Wed 14 - Sat 17 October

Time: 19:30 - 22:00

Location: TR8 William Boothlaan, Rotterdam

Tickets: tr.nl/guesthouse

Welcome To Our Guesthouse - the artist-in-residence program of Theater Rotterdam - offers emerging makers the space and facilities to research, exchange and present their works-in-progress to the public. This year the makers are Adam Khazhmuradov, Hendrickx Ntela and Ciro Monoarfa Goudsmit.

Instead of presenting finished performances, *Welcome To Our Guesthouse* invites you into the process. Expect a showcase of next-generation makers, where you'll encounter works-in-progress: raw, unfinished and in motion. For this program, TR8 undergoes its annual transformation, becoming a vibrant landscape of new work, exciting installations, context programs and fresh encounters. Move through the building along a theatrical track, from artist to artist. *A night to discover what's next.*
